Non-resident Off-Highway Vehicle User Permit Application Instructions

With the exception of off highway vehicles (OHVs) registered in a state that offers reciprocal operating privileges to Utah residents, Utah law requires that any non-resident owning an OHV who operates or gives another person permission to operate the OHV on any public land, trail, street, or highway in Utah must pay an annual OHV user fee. Revenues generated by OHV user fees are dedicated to the construction, improvement, operation and maintenance of trails. Individuals wanting to obtain a non-resident OHV user permit must provide proof of residency in a state other than Utah, and must provide proof that the OHV is not owned by a Utah resident.

Please Note: This permit is valid for ONE (1) year from the month of purchase.

The process for obtaining a non-resident OHV user permit by mail is outlined below. **(NOTE: Incomplete applications, or applications submitted on anything other than the approved form, or application packets which do not contain all required fees and documents will not be processed.)** Permits are also available in person at authorized vendor locations throughout the state of Utah. For a complete listing of authorized vendors, contact the Utah Division of Parks and Recreation, OHV Education office at 1-800-OHV-RIDE (1-800-648-7433).
